The presentations for the Heart of England in Bloom took place in Rugby with Winshill again achieving a Gold Award (receiving 179 out of a possible 200 marks). At the recent Winshill in Bloom presentation evening there were awards of £25 to 2 children from Winshill Village School for designing the presentation certificates as well as the £50 awards for the winners of adopt a tub (Guides), individual (Mr K Davies), non-commercial organisation (Elizabeth Court) and commercial organisation (Waterloo PH – trophy only).

PART II

MATTERS OF A CONFIDENTIAL NATURE

187/15 **REVIEW OF THE PARISH LENGTHSMAN'S ROLE**

Following the retirement of the Parish Lengthsman Members again discussed how best to move forward. A planting schedule was tabled and it was agreed that this should form the basis along with some kind of specification of work that could be put out to tender to a small gardening firm. The main work would involve mowing, weeding, edging, watering and planting, although the latter two could well be done separately.

Trent & Dove had been happy to wait and see what the Parish Council wanted to do and it was agreed to review the situation again in November/December 2015.

Councillor Smith agreed to draw up an inventory of gardening equipment at the centre and Councillor Gaynor volunteered her husband to cut the grass round the flower beds at the Peace Wood.

The meeting finished at 9.20 pm.

Chairman

REPORT OF THE PARISH CLERK ON MONEYS GIVEN TO OUTSIDE ORGANISATIONS

1. Purpose of the report.

To consider the different requests received by the Parish Council for financial support.

2. Information and Analysis

There are several types of request received by the Parish Council for funding:

- a) Grant Aid to help fund projects by community organisations.
- b) Requests for Sponsorship.
- c) Requests for funding to provide a service specifically to the community, eg the Winshill NRC and East Staffordshire CAB.
- d) Requests for donations from organisations providing a public service to the wider area but including Winshill residents, eg Queens Hospital League of Friends.
- e) Recurring requests for Grants to community organisations for which a precedent is well established, eg Winshill Allotment Association and Winshill Youth Parish Council.

3. Financial and Other Considerations

The granting of funds in respect of all of the above are a legitimate part of the democratic process carried out by the Parish Council.

The funding of the above currently comes from the following heads of accounts:

£4,000 - Grants to Organisations

£4,000 - Development Grants

£5,000 - Parish Plan

£10,000 - NRC

However, in the past there has been some ambiguity regarding how some types of request for funding should be made and to which head of account they should be funded from. This should be avoided wherever possible in future by making the nature of the request clear at the outset.

4. Recommendations

- Agree the sums available for the various types of funding as part of the budget setting process in December each year.
- Be sure to discern between the different types of request for funding.
- Make sure that all requests for moneys are put on the agenda of meetings and record the decisions taken in the minutes accordingly.
- To consider and review each and every request on an annual basis irrespective of what has been agreed previously.
